Having no control over the specimen prior to it being received by us and in view of the many factors which have a very definite effect on the final result of dressing. These include; primeness, general condition of the specimen, climatic conditions, and chemical reactions, and most importantly, the lack of knowledge and facilities in the field by the sportsman. We cannot guarantee the results of any mounted specimen.

Also, we will not be responsible for loss due to freezer failure, power failure, theft from our premises, or any other loss beyond our control. A

30% (NON-REFUNDABLE) deposit will be placed on all specimens and projects due to storage and skin preparation. If the completed work is not picked up within that time, a storage fee of \$3.00 per day, will be added to the total balance. Any and all work due to backlog will not be finished prior to its position that it was received unless otherwise authorized. No mounts will be shipped until 100% Payment for said project and shipping fees have been paid. Please keep all phone calls pertaining to completion to a minimum as it restricts our ability to fully concentrate and complete said projects.

In addition to the rights granted to us under the Artisan's Lien Law of the State of Alabama, we shall have the right to collect the balance of the account by action at law. The customer agrees that if the balance is collected by an attorney, by suit, or otherwise, he will pay all attorney's fees and cost of the collection.
